Heh~

So this is where you practice. It's a good place.

It's like a secret base, so it makes you kind of excited, right?

Here, sorry for the wait.

Waaah~!

Compared to the other day, it's become really clean!

There are instruments too!

THUD

It's fine, no worries.

I'm so really very sorry!!

When you weren't coming here after school, the three of us did our best, you know?

Now that I think about it...

Well, it's like this—

How do you use this?

To think that I'd have four of my classmates over at my house...!

All we've done up to now was just clean, but...

This is bad, I'm grinning...

THUMP

THUMP

I tend to my bonsai.

clack

clack

I surf the net.

Compared to how I lived before...

It's like I've become a person with a real offline life...!

Arisa, what's wrong?

SHOCK

No— It's nothing?

I— I'm totally not happy at all?!

?

Ah!

That's right... I need to give them proper hospitality...

Please wait a moment!

DASH

Wai-

Ooohh!!

Here, since I said it earlier, I properly prepared some snacks!

There are chocolates, too~~!

Waaah~

What should I eat~?

That's amazing! Is it okay for us to have this much?

I promised after all, okay?

REALIZE

That's right, since they're here, I want them to see my precious children...!

Heh~

Is it your hobby?

Arisa, are those bonsai?

In a place where they will stand out...

When you line them up, they're like our audience!

Heh~ That's so nice.

It's kinda cute~!

cheerful

cheerful

It's bad for them to have too much sun so I placed them inside!

I– It's not like I wanted you to see them or anything!

Is it too obvious?

shine

Hey, hey~

That's true.

When the instruments are lined up, it really does give out the feel of a band, huh?

I can only play a little bit...

Eh-

Since we're all here, I want to hear everyone play!

You're not even sure!

It's okay! Knowing everyone's sounds is also part of being a band!

Probably!

Y– you're all too enthusiastic!

Eh, eh... That makes me nervous...

But I'll do my best!

I don't mind~

That is true, I do want to hear it as well.

Wah!
The intensity
of live drums!
I guess I'll
go first,
then.
It feels
good to hear!
Ooohhh!
The sound
of a bass
is heavy!
As
expected
of Master!
So cool!
Quit it
with the
'Master.'
Everyone's
level is so
high...!
At this rate...
gulp
It can
make that
kind of
sound?!
MEOOOW~
I'll get
away with
a meme!
Roland JUNO-Di

It can also make cute sounds~

has a different charm than just by yourself...

おお—!

As long as you have fun, Otae, I'm happy!

Geez!

Eh?!
Uh-um...
Go ahead~
Then,

Otae
Saa~ya
Rimirin

So you're just reusing?
To match, what about Aririn or Aarii~in or Oari?!

Rimirin, do you have any good ideas?
Eh– Um.
How about Arichoco anything with chocolate seems to be cute.

Rimirin has gone off to her own world!
Saaya~ what about you? Any ideas?
sparkle
Ah ! Rimichoco... might be good.

A nickname for Arisa, huh...
stare

I don't want something that extreme!
!
The Minister of Finance!

Hey

...

What about Finance Leader?

Enough with the Finance!

Special..

A nickname is nice, but

just being called by your name is special in its own way..

Actually,

I'm glad~!

Well, I guess that's true too

That's fine then, just call me by my name.

Whoa~ Sorry!

we haven't practiced at all today!

We're doing that now!

Guh.

That's true Usually you'd be the one to call us out when we get distracted from practice

Somehow, you're surprisingly upbeat today, Arisa.

...I just kind of got excited..

It's just..

This is the first time I've had this many people at home, so

Don't look at me with those eyes!

Geez!

We- we're right here for you!

Braggart in the warehouse.

I see...

I see

I guess you're the type who is a braggart at home and meek outside, huh?

Thanks, I guess.

It's okay! From today onwards, every day will be a party!

A band is when you have a party with everyone!

Ah!
I've got it!
It's that!

Right?!

nod nod

It has a part that's similar
Like where we have fun together with everyone.

Like this?

ピポパ

ポピー

What?
Another unreasonable request

フォーン フォー

Arisa!
Play party-like sounds!

Mm, mm!

Popipo.

"Poppin' Party"

How about this?
As our band name!

I tried adding
Popipa and Party
together!

Mm!

Well, if you're
fine with it

!

It's all thanks
to the sounds
that you played
earlier!

Well,
isn't it
fine?

It's
important
to decide
by feeling.

...Is it
fine to decide
on it like
that?

It really
is cute,
I think it's
good!

Yeah!

Well then,
let's go,
Poppin' Party!
